Diagnostic de performance énergétique (DPE)

This studio apartment is located in the « Butte aux Cailles » area of Paris, in the 13th arrondissement

It is on the 3rd floor, via a lift, of a building dating to the 1960s,

Though the total size is but 30,5 m2, the floorplan is carefully designed to feature a small entrance way and a completely separate kitchen with its window.

The main room has a large door window that gives onto a balcony and a completely open view over a low lying outdoor public swimming pool.

A perfect place for a first time buyer or investor seeking rental income.

Needs some refurbishment.
